The CT Labor Department is working diligently to analyze the federal pandemic relief details found within the Coronavirus Aid, Relief, and Economic Security (CARES) Act signed into law on 3/27/2020. We appreciate your patience as we review federal guidance issued by the U.S. Department of Labor and work with technical experts to develop additional programming within the CTDOL Unemployment Insurance system to accommodate the new federal relief programs. We are working hard to serve the citizens of CT and ask that you check these FAQs DAILY for updates. Thank You.
